

GOVERNMENT OF THE DISTRICT OF COLUMBIA
Office of the Chief Financial Officer

Natwar M. Gandhi
Chief Financial Officer

MEMORANDUM

TO: The Honorable Linda W. Cropp
Chairman, Council of the District of Columbia

FROM: Natwar M. Gandhi [signature]
Chief Financial Officer

DATE: March 29, 2004

SUBJECT: Fiscal Impact Statement: "Adult Trauma Care Amendments
Approval Resolution of 2004"

REFERENCE: Proposed Resolution as Introduced - No Number Available

Conclusion

Implementing the proposed resolution will not impact the District's budget and financial plan. The proposed rulemaking makes technical, procedural and clarifying changes to the District of Columbia Municipal Regulations, Adult Trauma Care Chapter, Public Health and Medicine Titles.

Background

The proposed resolution would approve final rules governing Level I and Level II adult medical trauma facilities in the District of Columbia. The proposed regulations finalize procedures, skill requirements, laboratory requirements, and standards for facility resources and capabilities that are already being used by the Department of Health for adult medical trauma facilities.

Financial Plan Impact

The proposed resolution will have no impact on the FY 2004 budget or the proposed FY 2005 through FY 2008 budget and financial plan. The Department of Health is required to enforce all public health regulations and has sufficient staff and resources to do so. It is incumbent on the District's adult trauma facilities to maintain statutory minimum requirements for treatment.
